SUPPLEMENTAL COMMUNICATION

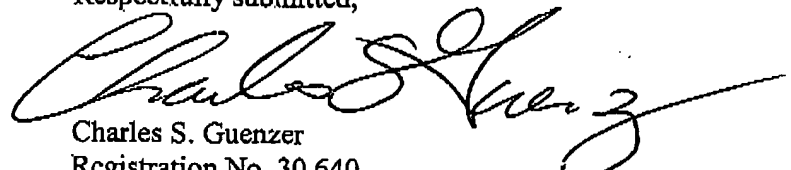

Sir:

The Examiner requested on 11 April 2003 that Applicants' attorney fax a copy of the marked up amendments for the response filed by facsimile on October 28, 2002. Attached are copies of two pages from that filing. As should be evident both from the clean copy and the marked up copy of the amendments, the only amendments made were to add claims.

These claims do not correspond to the present claims which have been subsequently amended by the Preliminary Amendment of 25 January 2003 and the response mailed 9 April 2003.
